## Innova Collection

❖ Attention to detail...

*Innova unites beautiful select Maple Veneers in Honey Finish and a refined ogee edge with tempered frosted glass to form a tastefully designed casegood collection with tailored versatility. Unique brushed nickel pulls complete Innova's intelligent aesthetics.*

**Finish Available:**

SO Honey Maple

*All items on this page available by Special Order.*

**SO = Special Order**

### Collection Detail...

**Sleek European Design...**  
Aluminum finished grommets neatly route cords away from worksurfaces.

**Glass Hutch Doors...**  
Frosted Tempered Glass doors with Brushed Nickel Knobs

**Central Locking Mechanism...**  
Lock all drawers with the turn of a single key. Removable lock cores.

**Reverse Coped Edge Detail...**  
At worksurface junctures further define Innova's attention to detail.

**Bow Top Transaction Shelf...**  
Reception station enhances lobby environments for an entire facility.

**Steel Ball-Bearing Suspension...**  
For smooth in/out action and support of heavy loads.
