Cascade Collection

❖ *Distinctive Knife Edge Profile...*

And cockpit curved worksurfaces blend to create a reconfigurable casegood collection that is invitingly fresh and versatile. Rich select Cherry Veneers in American Cherry finish and brushed nickel pulls complete this crisp design.

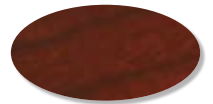

Sleek European Design...
Aluminum finished grommets neatly route cords away from worksurfaces.

Inspire Collection

❖ *Refined Transitional Architecture...*

All wood edge profile adds distinguished craft to its substantial two-inch thick worksurfaces. An understated, well-proportioned, brushed aluminum pull completes this clean transitional design.

Sleek European Design...
Aluminum finished grommets neatly route cords away from worksurfaces.
